Dr. Judy Miner
President
Foothill College
12345 El Monte Road
Los Altos Hills, CA 94022

Dear President Miner:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met November 4-5, 2010 to review the Substantive Change Proposal from Foothill College to offer 24 Associate degrees and 21 Certificates through a mode of distance education or electronic delivery.

The Committee acted to approve the Substantive Change Proposal for Foothill College pending clarification of student support services identifying which are face-to-face and which are online and interactive. Please send an addendum to my attention by February 15, 2011.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, effectiveness and quality.

Sincerely,

Susan B. Clifford
Vice President
