Train for High-Wage Careers in the Dental Field

Looking for an exciting career choice in the stimulating world of Dental Assisting or Dental Hygiene? Check out the options Foothill College offers you in our award winning high wage, high demand dental programs that rank among the best in the nation! Both the Dental Assisting and Dental Hygiene programs are fully accredited by CODA (Commission on Dental Accreditation).

With outstanding instruction, expert faculty, and a state-of-the-art dental clinic, an education at Foothill College is a sound investment in your future; and tuition is only \$31.00 per unit. See for yourself by attending the free, much-requested Dental Programs Information Night Wednesday, September 16, 2015, see times and rooms above; just remember to bring \$3.00 for parking, if you're not currently registered and taking classes. All are welcome!

The directors of both the Dental Hygiene and Dental Assisting programs will give an overview of the program, and be available to answer all your questions. Learn about program requirements, the application process, and admissions; you'll be able to talk to current students in both programs, who will take you on a tour of the newly remodeled dental clinic.

So, if this is a career move you, or one your children might be considering, join us for the Dental Programs Information Night!

We look forward to seeing you Wednesday, September 16th from 5:00-6:30 PM.
