

FOOTHILL COLLEGE

Core Mission Workgroup Reflections for 2011-12

Institutional Goal <input checked="" type="checkbox"/> Basic Skills <input type="checkbox"/> Transfer <input type="checkbox"/> Workforce <input type="checkbox"/> Stewardship of Resources		
Workgroup Objective Original Objective: Continue to support course sequences and pathways to move students successfully through basic skills course sequences.		
Target Summary <ul style="list-style-type: none"> Enroll minimum of 30 students in IRW Provide resources to MMW to increase students completing course in one year by 10% 	<input type="checkbox"/> Completed	<input checked="" type="checkbox"/> In Process <ul style="list-style-type: none"> The Fall 2012 Puente cohort will enroll in the IRW sequence, meeting this target. The BSW continues to provide support to MMW through materials and services.
		<input type="checkbox"/> Not Initiated Explain:
Successes <ul style="list-style-type: none"> Direct collaboration with IRW/MMW faculty 		Challenges <ul style="list-style-type: none"> Recruitment and marketing for IRW
Updates to Objectives, Targets and/or Metrics <ul style="list-style-type: none"> IRW Target update: Pilot 4 cohorts for the 2012-2013 academic year (total of 120 students) Two new cohorts (30 students each) will be piloted in Fall 2012. Two additional cohorts will begin in Winter 2013. 1 of 4 total cohorts (to begin in the fall), will be the Puente Cohort. MMW Target update: Changes to MMW program effective Spring 2012. The new sequence includes MATH 235, which is Pre Algebra I and will cover modules A-D. If a student completes all 9 modules and passes the final in MATH 235, they will be waived from Work with Researcher to track success rates. Updates to both of these pathways will be given to PaRC in fall. 		
References & Notes <ul style="list-style-type: none"> Basic Skills Workgroup will send a Call for Proposals in April to provide funding for programs or initiatives that support this objective.
