Category: Emergency FTEF Hire for 2012-2013

Priority 1	Position:	Respiratory Clinical Coordinator Faculty
	Brief rationale:	Due to the June 2013 retirement of the current Respiratory Therapy Clinical Coordinator faculty, a replacement is essential for sustaining the current program accreditation, maintaining productivity of the program and continuing the quality of education delivered to the Respiratory Therapy students. The college needs to replace the full time Respiratory Therapy Clinical Coordinator faculty member in order to ensure continued regulatory and accreditation compliance.
