Category: Emergency FTEF Hire for 2014-2015

Priority 1	Position:	4 Full-time Tenure-Track Categorically Funded Counselor
	Brief rationale:	The Student Success and Support Program (the State Mandate that replaced the Matriculation Program), requires that colleges offer the following core services to students: Orientation, Assessment and Placement, Counseling and Educational Planning, Abbreviated and Comprehensive Educational Plans, and Follow-Up Services for At-Risk Students. Given these mandates, it is imperative that we hire more counselors to serve our student population. In order to meet our MIS data numbers (and, hence, our funding for next year) we would need additional counselors to specifically build educational plans and counsel students on academic, personal, transfer and career issues.
