Category: Emergency FTEF Hire for 2014-2015

Priority 1	Position:	1 Full-time Tenure-Track Systems Librarian, 11mos
	Brief rationale:	The retirement of the college's systems librarian would reduce the number of full-time faculty in the library to just three librarians, too few for the library to function and serve the campus community. Additionally, the position is an 11month position and is essential for the library to remain in service during the summer session. The systems librarian performs a mission critical function overseeing and maintaining the systems that run the library's circulation and cataloging functions. It would be a hardship on the library and the campus not to replace this position immediately.
