

REGULAR DISBURSEMENT DATES FOR 2009-10

Regular disbursements for financial aid vary with the kind of money listed on your award letter. A regular disbursement is made when the student has a complete application prior to the term, is enrolled in the required number of units at least one week prior to the start of the term, is not subject to disqualification, and has no holds. When a regular disbursement cannot be made, interim disbursements are made on a weekly basis afterward.
