FOOTHILL COLLEGE -- FINANCIAL AID OFFICE

2009-2010 PETITION FOR OVER 120 UNITS

Name:_____ SID#:_____

The Office of the Admissions & Records indicates that you have over 120 units OR you have already earned an AA/AS degree OR you have indicated you have received a Bachelor's Degree or higher. We cannot consider providing additional assistance without a comprehensive review of your Educational Plan at Foothill College. You will need to provide a statement that will allow us to review **WHY** it has taken longer than what the Federal Government deems to be a "normal" time period (normal meaning the average time it takes to earn an AA/AS degree, ~90 units, at a community college) to reach your goal and what classes you have left to finish. Or you will need to provide a statement that will allow us to review what extraordinary circumstances exist that require you to earn an additional degree.
ATTACH ADDITIONAL SHEET(S) IF NECESSARY.

NOTE: You are required to obtain an educational plan (on the back of this form) from your Foothill College counselor. You must schedule a regular half hour appointment by calling (650) 949-7423. All prior college/university official transcripts should be submitted either to the counselor in person or Admissions & Records for evaluation.
