

STEM Science, Technology, Engineering, Mathematics

PRIZES! FOOD! FUN! Come join us on Wednesday, September 17th from 1-3pm in the Physical Science & Engineering Center quad by parking lot 4 to celebrate Foothill College's STEM (Science, Technology, Engineering and Mathematics) programs. Win prizes (bookstore gift certificates, t-shirts, book bags, graphing calculators, and much more), eat homemade liquid nitrogen ice cream, meet other STEM students and faculty, see exciting demonstrations, explore hands on activities, and learn about different course offerings and STEM pathways at Foothill College.

PROGRAM

1pm – Opening comments

Physics Cannon demonstration in the grass area

1:10 – Meet the professors for Math classes (4603)

1:20 – Liquid nitrogen ICE CREAM pavement by cafe

1:30 – Meet the professors for Engineering classes (4603)

1:50 – Meet the professors for Chemistry classes (4603)

2 pm – Chemistry demonstration in the grass area

2:10 – Meet the professors for Physics classes (4603)

2:30 – Meet the professors for Computer Science classes (4603)

3pm – Raffle drawing, closing

TABLES:

- **Campus Information** in front of cafe: Financial Aid, Counseling, STEM newsletter, T-shirt design contest
- **Department Tables:** Degree information, Pathway information, Course information
 - **Chemistry Department** front of 4700
 - **Computer Science Department** front of 4600
 - **Engineering Department** front of 4700
 - **Math Department** front of 4600
 - **Physics Department** front of 4700

Check out the math tools throughout the quad area.
