## REMINDERS:

- ❖ **Curriculum Due Dates:** New deadlines for curriculum will begin this year. Please note that we will be working on two different year's curriculum within the same academic year.
  - Due Date: 12/5/14 Summer 2015
  - Due Date: 6/19/15 Summer 2016
  
- ❖ **Lecture-Laboratory Activity Type** - As previously mentioned, we are eliminating the lec-lab activity type from course outlines, effective Summer 2015. If you teach a course that currently has lec-lab hours and if you have not already done so, please contact your Curr Rep and/or dean to verify the adjustments in activity type. Be aware they will be modified and we need to teach to the updated structure beginning next Summer, 2015.
  
- ❖ **GE Subcommittee Membership:** You know you'd like to be more involved in Curriculum but you don't have a lot of hours available. How can you help? Serve on a GE subcommittee! We would love to have more volunteers to review GE applications for our local GE. Interested? For more info, please contact a Curr Rep, Isaac or Cori.
