- ❖ **Local GE Applications:** The CCC discussed the confusion regarding due dates for local GE course applications. The results of the discussion were the following suggestions: (1) local GE applications would be due December 5th to the Instruction Office for 2015-16 and (2) if the author is asked for further information, they must respond by March 1st or they would be asked to reapply for the following school year. Please provide feedback or let us know if you have any questions.
