- ❖ **ASCCC Regional Curriculum Meeting:** ASCCC sponsors a regional meeting to give colleges the opportunity to discuss pertinent curriculum issues. We will be hosting the next meeting here at Foothill on March 20, 9:30-3:00. The focus will be on non-credit curriculum and anyone interested is encouraged to attend! Please register by March 13th at <http://www.asccc.org/events/2015-03-20-163000-2015-03-21-220000/noncreditcurriculum-regional-meetings>
- ❖ **Course Currency Policy:** The CCC has been reviewing and has voted to adopt a policy (aka. course deactivation policy) to ensure the accuracy of our Catalog. The policy was adopted with the agreement that the appeal procedure will be reviewed separately. The decision was that courses that have not been taught in 4 years will be slated to be deactivated for the following Catalog. Faculty will have the opportunity to file an exemption. Those procedures will be published as soon as they've been finalized.

REMINDERS:

- ❖ **Curricular Calendar:** Don't forget! The new curriculum deadline for the 2016-17 Catalog is June 19th, 2015. It'll be here before we know it!

"WE NEED YOUR FEEDBACK!" ITEMS:

- ❖ **AP Credit:** CCC is reviewing how Foothill credit is granted for Advanced Placement courses (with the AP exam). Questions to consider: "Where" does that course count? How? What are the implications? With that information, where do we go from here? Do we think adjusting how AP credit is granted at Foothill would be appropriate for our students? Please connect with your CCC reps for more of the nuances of this topic as well as to provide feedback. Discussion will continue at CCC.
