REMINDERS:

- ❖ **Curriculum for the 2016-17 Catalog** is due June 19th, 2015.
- ❖ **Local GE Applications:** We ask that general education applications for 2016-17 be turned in by June 19th, 2015 as well.

"WE NEED YOUR FEEDBACK!" ITEMS:

- ❖ **Foothill GE List for 2015-16:** Please review the draft of our GE list for next year. Is there anything missing? Are there courses that have been deactivated that need to be removed? Notify the Instruction Office if you find any discrepancies.
- ❖ **AP Credit for GE Areas Only:** ASCCC has urged that community colleges consider adopting the California Community College General Education Advanced Placement (AP) test equivalency list. Currently we do not distinguish between granting general education content area for an AP exam, and granting specific course credit. This topic has many layers as it can affect students in different ways (i.e., general education, major, ADTs, transfer, etc.). CCC is currently discussing AP credit specifically as it relates to local general education. Please check in with your CCC rep for more information and to share feedback.
