- ❖ **New Course Proposals:** The following proposals were presented at CCC. Please carefully review this list and ask your Curr Rep if you're interested in more info. Contact your CCC rep and the faculty author(s) if you have questions or comments.

HUMN-Cultures, Civilizations & Ideas: The Making of the Contemporary World F. Cammin
HUMN-Honors Art & Transgression: The Holocaust in the Literary Imagination F. Cammin
- ❖ **AP credit for Local GE:** CCC voted to adopt the ASCCC resolution regarding adoption and implementation of the California Community College General Education Advanced Placement (AP) test equivalency list. What does this mean? It means students that come to Foothill with AP scores of 3 or higher, will be granted local GE area credit for the corresponding area. We will have ongoing conversation regarding how AP relates to major/unit credit.

REMINDERS:

- ❖ **Curriculum Deadline:** Please remember that our curricular deadline is around the corner. June 19, 2015 is our deadline for the 2016-17 Catalog. Let's keep this in mind as we finish up the Winter quarter and head in to Spring!
- ❖ **FH GE:** Have you taken a look at our local General Education pattern lately? Do you know which courses from your division are or aren't there? CCC is asking that GE course applications be turned in by the curricular deadline mentioned above!

"WE NEED YOUR FEEDBACK!" ITEMS:

- ❖ What has your experience been with our course management system (C3MS)? What has worked well? What functionality/features would you prefer? Please share thoughts with your CCC rep, so that we can compile a list of what we like and what we would prefer in a course management system.

If you have questions or comments about any of this information please check with your CCC rep or any of the CCC team members!
