

CCC Communiqué

October 9, 2015

News & Announcements:

- ❖ **New Curriculum Coordinator:** Hello from your new Curriculum Coordinator, Mary Vanatta! I'm excited to be taking over the position and look forward to working with you all. Please feel free to stop by and introduce yourself, if you're in the neighborhood—I'm in room 1925.
- ❖ **ADT Review Process:** Our ADTs need eyes on them again. Some were created 2-3 years ago and should be revisited to see how they have been working out for students. Each degree will be reviewed over the next quarter—if you've been involved with ADTs in the past, we'd really appreciate your help!
- ❖ **Curriculum Committee Responsibilities:** Curious about what we do at CCC and what our responsibilities are? Check out the "CCC Responsibilities" document on our College Curriculum Website.
- ❖ **GE Subcommittee Membership:** Are you interested in being more involved with curriculum, but are short on hours? Serving on a GE subcommittee may be the perfect fit! We are in need of more volunteers to review GE applications. If you're interested or would like further information, please contact a Curriculum Rep, Isaac, or Mary. We'd love to have you!

Reminders:

- ❖ **Curriculum Deadlines:** A quick reminder of the recent change to our annual deadline for new and updated course outlines in C3MS. The previous December deadline has been moved to June—please keep this in mind when you're thinking about your courses for 2017-18. The deadline for that catalog will be Friday, June 17, 2016.
