- ❖ **ADT Update:** In addition to the degrees listed in the October 26th Communiqué, we have the opportunity to develop the following ADTs. If you are interested in being involved with developing any of these ADTs, please contact Bernie Day.
 - Agricultural Plant Sciences
 - Chemistry
 - Film, TV & Electronic Media
 - Nutrition and Dietetics

Additionally, we are in the process of finalizing our application for the Biology ADT, and the Music department has revived their discussion of the Music ADT.

- ❖ **Division Guidelines for Online Learning:** We will have further discussion regarding concerns about our online course standards and the related senate resolution. For the time being, we encourage continued discussion in our divisions about best practices for our online courses.

We'd Like Your Feedback!

- ❖ **Upper-Division Course Numbering for Baccalaureate Degree:** We need to determine which numbers to use for the upper-division courses that are being developed for the baccalaureate degree in Dental Hygiene, as well as potential future baccalaureate programs. Please share thoughts/feedback with your CCC Rep.

- ❖ **Upper-Division GE Approval Process:** Also related to baccalaureate degrees at Foothill, there is a need to determine the approval process for upper-division GE courses. For more information, or to get involved in this important process, please contact your CCC Rep, or any of us on the curriculum team.
