CCC Communiqué

News & Announcements:

❖ The following courses were approved on November 3rd for Foothill GE for 2016-17:
Area I, Humanities - MUS 11F
Area VII, Lifelong Learning - COMM 60

❖ **Upcoming Curriculum Deadlines:**
  - _Tuesday, December 1st:_ Deadline to submit courses to CSU for CSU-GE approval; deadline to submit courses to UC/CSU for IGETC approval
  - _Monday, February 1st:_ Deadline to submit curriculum (program) sheets in C3MS (must be in "Instruction" status by this date) - _please note change in deadline from previous years!_
  - _Monday, February 15th:_ Deadline to submit local GE applications to Mary (applications need to be approved by the Division CC)

❖ **Online Course Standards:** With hopes of addressing questions and concerns regarding discussion of online course standards and the related Academic Senate resolution, an email was sent out this week, composed with representation from Academic Senate, FA, and Administration. It's titled, Clarification of Academic Senate resolution: "Responsibility for Development of Online Course Standards." If you haven't already, we invite you to take a look!

Curriculum Resources:

❖ **COR: Curriculum Reference Guide:** Working with Course Outlines of Record (CORs) can feel like a tricky process. The Academic Senate for California Community Colleges created a document specifically to help in that regard. It's a great resource! You can find a link to this handy guide on the CCC web site, or simply click the title of this item to download the PDF directly.

Reminders:

❖ **General Education:** Have you looked at our local GE pattern this year? Are there courses you think should be considered for a certain area? We wanted to remind folks that Foothill GE applications can be found on the CCC web site.
