Reminders:

- ❖ **Upcoming Curriculum Deadlines:**
 - *Monday, February 1st:* Deadline to submit curriculum (program) sheets in C3MS (must be in "Instruction" status by this date) - *please note change in deadline from previous years!*
 - *Monday, February 15th:* Deadline to submit local GE applications to Mary (applications need to be approved by the Division CC)
 - *Friday, June 17th:* Deadline for new and updated curriculum, for the 2017-18 catalog year
- ❖ **Curriculum/Program Sheets:** How often does your division review your curriculum sheets (the ones with degree requirements/lists of courses)? We encourage divisions to regularly take a look, to make sure all courses are being offered on a regular basis, so that students don't get stuck with limited options. It's completely understandable that not all courses are offered with the same frequency; we just want to make sure that infrequently-offered courses don't go under the radar and end up having negative implications for students!

Have a Fantastic
Winter Break!
