

CCC Communiqué

March 4, 2016

News & Announcements:

- ❖ The following courses were approved on March 1st for Foothill GE for 2016-17:
Area I, Humanities - CRWR 6, CRWR 39A, CRWR 41A, MUS 11E
Area IV, Social & Behavioral Sciences - PSYC 49
- ❖ **New Course Proposals:** The following proposal was presented at CCC. Please carefully review this list; for further information, ask your Curriculum Reps. You may contact your Curriculum Reps and the faculty author if you have questions or comments.
D H - Education Theory, Practice & Administration P. Spragge
- ❖ **CSU GE Breadth Update:** Please be aware of a slight modification being made to CSU GE Area D: Social Sciences. Currently, the courses listed under Area D are categorized within 10 different subgroups, but going forward Area D will contain a single list of courses. As always, we advise all faculty and staff to refer students to Counseling with any GE-related questions.
- ❖ **Advanced Placement and ADTs:** With the increase in the amount of ADTs we offer, as well as an increasing number of students pursuing those ADTs, CCC continues conversation about Advanced Placement as it relates to ADT major coursework. We are seeing situations where AP content credit is granted for the campus the student will be transferring to, but local policy precludes the student from being granted local degree/course credit. With help from the Articulation Office, we will be sharing reports about how AP credit is granted, CSU- and UC-wide. For further discussion, please contact your Curriculum Reps.

Reminders:

- ❖ **Upcoming Curriculum Deadline:**
