

CCC Communiqué

May 2, 2017

News & Announcements:

❖ **New Course Proposals:** The following proposals were presented at CCC. Please contact your Curriculum Reps and/or the faculty authors if you have questions or comments.

AHS - <u>American Heart Association (AHA) Basic Life Support (BLS) Provider Course</u>	D. Huseman
AHS - <u>American Heart Association (AHA) Pediatric Life Support (PALS) Provider Course</u>	D. Huseman
AHS - <u>American Heart Association (AHA) First Aid/CPR & AED for Children, Infants & Adults</u>	D. Huseman
AHS - <u>NAEMT Prehospital Trauma Life Support (PHTLS)</u>	D. Huseman
APSM - <u>Service Introduction & Safety</u>	F. Cuneo
APSM - <u>Essential Service Skills</u>	F. Cuneo
APSM - <u>Heat, Matter & Energy in HVAC Systems</u>	F. Cuneo
APSM - <u>Piping, Refrigerant Evacuation & Recovery</u>	F. Cuneo
APSM - <u>Charging Refrigerant Systems</u>	F. Cuneo
APSM - <u>Introduction to Electricity</u>	F. Cuneo
APSM - <u>Field Installation for the Service Technician</u>	F. Cuneo
APSM - <u>Electric Motors & Motor Controls</u>	F. Cuneo
APSM - <u>Components of the Refrigerant Cycle</u>	F. Cuneo
APSM - <u>Refrigeration as Applied to Air Conditioning</u>	F. Cuneo
APSM - <u>Gas & Electric Heating</u>	F. Cuneo
APSM - <u>Hydronic Heating</u>	F. Cuneo
APSM - <u>Sheet Metal Fabrication</u>	F. Cuneo
APSM - <u>Air Distribution & Efficient Duct Design</u>	F. Cuneo
APSM - <u>Maintaining Efficient Operation of Electric Cooling & Heating Equipment</u>	F. Cuneo
APSM - <u>Heat Pump Efficient Operation & Service</u>	F. Cuneo
APSM - <u>Cooling Towers, Pumps & Piping</u>	F. Cuneo
APSM - <u>Chilled Water HVAC Systems & Components</u>	F. Cuneo
APSM - <u>Plans & Specifications for the Service Technician</u>	F. Cuneo
APSM - <u>HVAC Energy Codes & Standards</u>	F. Cuneo
APSM - <u>Indoor Air Quality & Energy Efficiency</u>	F. Cuneo
APSM - <u>Introduction to Direct Digital Controls</u>	F. Cuneo
APSM - <u>Pneumatic Controls</u>	F. Cuneo
APSM - <u>Invertor, VRF & Heat Recovery Technology</u>	F. Cuneo
APSM - <u>Intermediate Direct Digital Controls for HVAC Service</u>	F. Cuneo
APSM - <u>Testing Adjusting & Balancing of HVAC Systems I, Basics</u>	F. Cuneo
APSM - <u>Testing Adjusting & Balancing of HVAC Systems II, Continued</u>	F. Cuneo
APSM - <u>HVAC Trade History/Introduction to Testing, Adjusting & Balancing</u>	F. Cuneo
APSM - <u>Basics of Airflow/Heat Energy & Heat Transfer</u>	F. Cuneo
APSM - <u>Safety Training for TAB Apprenticeship</u>	F. Cuneo
APSM - <u>Basic HVAC Systems, Psychrometrics, Air Pressures & Measurements of Air</u>	F. Cuneo
APSM - <u>Proportional Balancing</u>	F. Cuneo
APSM - <u>Duct Leakage Testing</u>	F. Cuneo

APSM - <u>Electrical Fundamentals, Electric Motors & Rotational Measurements</u>	F. Cuneo
APSM - <u>Temperature Measurements, Duct Systems & Basic HVAC Controls</u>	F. Cuneo
APSM - <u>Fans, Fan Laws & V Belt Drives</u>	F. Cuneo
APSM - <u>Hydronic Systems, Pumps & Hydronic Balancing</u>	F. Cuneo
APSM - <u>Balancing Documentation, Cooling Towers & TAB Related Skills</u>	F. Cuneo
APSM - <u>Fire Life Safety Level I</u>	F. Cuneo
APSM - <u>TABB Technician Certification</u>	F. Cuneo
APSM - <u>DDC Controls & Programs</u>	F. Cuneo
APSM - <u>Fire Life Safety Level II</u>	F. Cuneo
APSM - <u>Plans & Specifications, Codes & Standards</u>	F. Cuneo
APSM - <u>Basic Refrigeration & Brazing/Soldering</u>	F. Cuneo
APSM - <u>Clean Rooms & HEPA Filter Testing</u>	F. Cuneo
APSM - <u>Title 24 Mechanical Acceptance Training</u>	F. Cuneo
APSM - <u>Advanced DDC Controls/Commissioning of HVAC Systems</u>	F. Cuneo
APSM - <u>Energy Auditing</u>	F. Cuneo
APSM - <u>Indoor Air Quality</u>	F. Cuneo
APSM - <u>Green Construction/LEED</u>	F. Cuneo
APSM - <u>Foreman Training/Project Management</u>	F. Cuneo
APSM - <u>Building & Cascading Pressures/Air Change Testing</u>	F. Cuneo
APSM - <u>Sound & Vibration</u>	F. Cuneo
APSM - <u>Bio Safety Cabinets/Laboratory Fume Hoods</u>	F. Cuneo
C S - <u>Advanced Data Structures & Algorithms in Python</u>	A. Venkataraman
C S - <u>Linux System Administration II</u>	M. Murphy
GEOG - <u>Introduction to Earth Science</u>	A. Meezan
PSE - <u>Concepts in Physical Science for Educators</u>	D. Marasco
V T - <u>Veterinary Anesthesia Laboratory</u>	L. Eshman

- ❖ **State Approval Received:** We recently received state approval for the Associate in Arts in Global Studies for Transfer Degree (ADT), which was approved by the CCC this past month! Congratulations to all who have been involved in developing the program, which was a cross-division collaboration.
- ❖ **Foothill GE List for 2017-18:** The draft Foothill GE list for next year was presented at CCC. To review the list, please ask your Curriculum Reps. If you have any questions or notice any discrepancies, notify your Reps and/or the Curriculum Coordinator.
- ❖ **Program Name Change:** The Kinesiology & Athletics division has approved a name change for the Athletic Injury Care AS degree. The new name will be Sports Medicine, effective summer 2017 quarter.
- ❖ **AP Credit Policy:** As you may be aware, last year the state passed legislation directing all schools in the California Community College system to adopt a common AP credit policy, which will go into effect July 1st. The Articulation Office has revised our local AP credit policy to integrate this new mandate, which will be published in the 2017-18 catalog. For further information, or to review the changes, please contact Bernie Day and/or your Curriculum Reps.
- ❖ **SB 1359 and OER Materials:** The state recently passed legislation that will require us to identify in our online schedule course sections that exclusively use digital course materials, which are available to students free of charge. The bill will go into effect January 1, 2018, which will align with winter 2018

quarter. Discussions are in the beginning stages and involve groups across campus—please contact your CCC Reps for further information or to share your thoughts and suggestions.

- ❖ **Honors Courses:** CCC has discussed and is now asking for feedback regarding a recent trend of honors courses having a unit added, compared to the regular version of the course. Some faculty have shared that adding a unit is necessary to adequately address honors content/rigor, while others have shared a possible equity concern, if it costs more money to complete an honors version of a course (because of the added unit), compared to the non-honors version. There is a lot to think about on both the support side and the concern side of the issue. Please check in with your CCC Reps for more detailed information regarding discussions at CCC, and to add your opinion/thoughts.

- ❖ **Stand Alone Course Process:** CCC has added the following clarification to our local process of Stand Alone course approvals: when a program-applicable course is no longer listed on any degree and/or state-approved certificate programs (and is not a Foothill GE course), the course is now considered to be Stand Alone and must follow our regular process of Stand Alone submission/approval.

Reminders:

- ❖ **CCC Co-Chair:** Our current Faculty Co-Chair, Isaac Escoto, will be completing the final year of his second term as co-chair and Academic Senate VP. Isaac will not be running for an additional term, so we are looking for someone to fill that role. If you have any questions or are interested, please don't hesitate to reach out to Isaac for more information!

- ❖ **Upcoming Curriculum Deadlines:**
 - *Friday, June 23rd:* Deadline for new and updated curriculum for 2018-19
CORs must be in Instruction/Review1 status in C3MS, on or before this date, to be reviewed by the Curriculum Coordinator for the 2018-19 catalog
