

Faculty Release/Reassign Time: 2012-13 to 2014-15

Overview

A comparison of faculty release/reassign time between 2012-13 and 2014-15 demonstrates an overall decline (-27%), even with the slight increase between 2012-13 and 2013-14 (+7%). There was a sizeable decline in the non teaching (sick leave) assigned over the three years (FTEF 1.58 to 0.27; -98%). Further disaggregation shows that the decline can also be attributed to a reduction in Professional Development Leave (PDL) from 2013-14 FTEF 7.14 to 2014-15 FTEF 2.33 (-67%). Note that the amount of Division release time allocated has increased between 2013-14 and 2014-15 (+23%) while contractual release time declined by -11% in FTEF in the same time period.

Methodology

Faculty release/reassign time were identified through the course coding to determine the reason the release time was granted: Sick leave (F994), Professional development leave (PDL) (F995), Division release (F996), Contractual release (F999). Sick leave is non-teaching release; the remaining categories are teaching release time. Contractual release includes Foothill Academic Senate and Foothill-De Anza Faculty Association.
