RE: Enrollment and Headcount for Non-Credit Parenting (NCP) Courses

---

### Overview

Students who took at least one Non-Credit Parenting (NCP) courses since the 2010-11 academic year through Winter 2014 were identified to determine enrollment and headcount in the four NPC course offerings. It suggests that about half of the students who enrolled in a NCP course during this time frame took at least two courses.

Table 1. Non-Credit Parenting (NCP) Course Enrollment and Headcount, 2010-11 to Winter 2014.

Course	Enrollment	Headcount
NCP 400	1,484	1,035
NCP 401	496	431
NCP 402	1,679	980
NCP 403	987	509
Total	4,646	2,955

### Methodology

Registration codes of AD, AW and DD were excluded from this analysis (administrative drop, administrative withdrawal and drop delete). Note that 116 students were excluded from the final headcount.
