RE: Global Skills for College Completion Data Request

Here is the dataset (with 2188 students) formatted as you requested for Fall 2010, Winter 2011 and Spring 2011.

Note that there is no data for the Reading placement field as Foothill College only has English and Math placements. We used the coding you provided English and Math placement, but added an additional value field, "No Info Available," for students who had no testing data or were asked to retest (due to incomplete testing or low scoring). Additionally, each faculty member is assigned a unique ID, with Acra=2 and Perino=55. This key should help identify the two faculty members for your analysis.

Please let me know if you have any questions about the dataset. I can be reached at kuoelaine@fhda.edu or 650-949-6198.
