Equivalence Request for IGETC/CSU GE Certification

This form is to be used for coursework taken at a colleges other than California Community Colleges, in the United States, to determine possible usage for IGETC/CSU GE certification.

Directions:

1. You must be a currently enrolled at Foothill College.
2. Enclose an **official** copy of transcript(s), unless one is already on file with Admissions and Records.
3. Course descriptions, from the time you attended, which includes the cover page of the catalog where the descriptions were found. (Some of the course descriptions can be found at www.collegesource.org, or you will need to contact your previous school.)
4. Submit this form with your transcripts and course descriptions to the Evaluations Office, located in building 8300.
5. When you receive the CSU and/or IGETC worksheet in the mail, make an appointment with a counselor to discuss any additional requirements you may have.
