

Step 1: Complete the TAG Eligibility Self-Assessment Questionnaire below:

ANSWER "YES," "NO," OR "N/A" FOR EACH QUESTION BELOW: (N/A = not applicable)

- _____ 1. Are you enrolled or planning to enroll full-time at a baccalaureate institution (4-year college/university) prior to transfer to UC Davis?
- _____ 2. If you previously attended a baccalaureate institution, will you have 120 transferable units or more of combined university and community college coursework (after applying UC lower-division unit limitations and exclusions)?*
Limit rule does not apply if all units are completed at a community college.
- _____ 3. Are you a former UC student who left the university when not in good standing?
- _____ 4. Are you a former UC Davis student (not including summer session)?
- _____ 5. Do you possess a BA or BS degree?
- _____ 6. Are you currently working towards high school graduation and will graduate after summer 2016?

If you answered "yes" to any question # 1-6 above, you are not eligible for a UCD TAG – consult with UC Davis and apply through the regular admission process.

- _____ 7. Were you enrolled full-time+ at a California community college spring term 2016? (*Note: students attending high school in spring 2016 must simultaneously be enrolled with part-time or full-time status at a CA community college.*)
- _____ 8. Will you be enrolled full-time+ at Foothill this fall 2016 and do you plan to be enrolled full-time+ through spring 2017?
- _____ 9. Will you complete, or have you completed, a minimum of 45 UC transferable quarter units by the end of summer 2016?
- _____ 10. Will you complete a minimum of 90 UC transferable units, with at least 45 of those units taken at a California community college, by the end of spring 2017?
- _____ 11. Will you have the two transferable English Courses (UC-E) and one transferable math course (UC-M) required for admission completed, with grades of "C" or higher, by the end of fall 2016? (*See back for course list*)
- _____ 12. Will you complete all courses required for minimum UC eligibility by the end of spring 2017? (*See back for requirements*)
- _____ 13. Will you complete all courses required for a selective major by the end of spring 2017? (*See back for selective majors*)
- _____ 14. Do you currently have a minimum UC transferable GPA of: (*See back for additional requirements for selective majors*)
3.2 for the College of Letters & Science or the College of Biological Sciences or the College of Agricultural & Environmental Sciences?
3.3 for the College of Engineering?
(note: to remain eligible for the TAG: the minimum overall GPA must also be maintained, with no grades below a "C", prior to transfer)
My current UC transferable GPA is: _____
- _____ 15. Do you have transcripts from EACH college or university attended to reference while completing your TAG application?
- _____ 16. Do you have your AP/IB exam scores to reference while completing your TAG application?

* The College of Engineering will consider applicants with 120+ units on a case-by-case basis so if this applies to you, skip to the next question.

+ See UCSC TAG website about full-time status.

If you answered "yes" or "NA" to questions # 7-16 above, you may be eligible for a TAG. Continue to Step 2.

Step 2: If you believe you are eligible for the TAG based on your answers to the questions above, carefully read this document for TAG procedures and requirements. Compile all of your transcripts and (if applicable) Advanced Placement (AP) or International Baccalaureate (IB) exam scores. Log-in to the UC Transfer Admission Planner and start working on your UC Davis TAG application. <https://uctap.universityofcalifornia.edu>

Step 3: Attend a TAG Workshop. (Optional, but highly recommended) Workshops will begin in July and the schedule will be available at: www.foothill.edu/transfer/ You may also see a counselor to address specific TAG questions. Staffing in the Counseling Center and Transfer Center is limited during the summer and early fall.

Step 4: Submit the UC Davis TAG Application online (within the UC Transfer Admission Planner system) between September 1-30, 2016. Your TAG will be directed to a Foothill counselor who will make a recommendation, to either 'authorize' or 'not authorize' the TAG, to UC Davis.

- ALL TAG applications will be forwarded to UC Davis for consideration, but only those that meet the eligibility criteria based on Foothill's review will be authorized. Regardless of Foothill's recommendations, final TAG decisions rest with UC Davis.
- **Important Notice:** It is your responsibility to make sure the information you report is accurate and complete. Foothill will review your TAG Application for minimum eligibility requirements based on your self-reported information ONLY. Transcripts and exam scores will not be referenced during the review process so the reviewer will not be checking on the accuracy of the information you entered into the Planner System or the completeness of your academic report.

Step 5: Check the UC TAG Application System ('My messages' tab) and your email for messages. Respond to all requests promptly and follow all directions. Your TAG may be at risk if you fail to respond to requests.

Step 6: Submit your UC Application for Undergraduate Admission between November 1-30, 2016.

UC Transfer Eligibility Requirements (see www.ASSIST.org for more information) (WARNING: courses listed below may not be on IGETC)

- Two UC-transferable courses in English composition (Area UC-E). Foothill courses include: ENGL 1A, 1AH, 1T, 1B, 1BH, 1C, 1CH, PHIL 1
- One UC-transferable course in mathematical concepts and quantitative reasoning (Area UC-M).
Foothill courses include: MATH 1A, 1AH, 1B, 1BH, 1C, 1D, 2A, 2B, 10, 11, 12, 22, 44, 48A, 48B, 48C, 57, PSYC 7, SOC 7, CS 18
*Students must complete both Statway courses; MATH 57 is UC transferable if taken during the 2014-15 academic year or later. MATH 57 will be renumbered to MATH 17 effective fall 2016.
- Four courses selected from at least two of the following Subject Areas:
 - ♦ Arts and Humanities (Area UC-H) ♦ Social and Behavioral Sciences (Area UC-B) ♦ Physical and Biological Sciences (Area UC-S)

SELECTIVE MAJORS BELOW – The minimum GPA and coursework listed below are required for admission. Courses must be completed for a letter grade by the end of spring quarter 2017. Selective major courses completed at the time the TAG is written must meet the minimum criteria; course repeats in-progress and planned will not be considered for TAG. For additional course work in your major, see www.assist.org. For the best transition and reduced time-to-degree, students should consider completing all lower division preparatory coursework shown on www.assist.org for their intended major.

NON-SELECTIVE MAJORS – For majors not listed below, see www.assist.org for lower division major coursework.

For all majors, both selective and non-selective, the minimum GPA is required at the time the TAG is written and must be maintained throughout the remainder of all transfer work with no grade less than "C."

- **BIOLOGICAL SCIENCES, COLLEGE OF:** 3.2 overall UC transferable GPA. 2.5 GPA in each group of courses with no grade less than "C" and must have 2.5 for the group of courses that have been completed when the TAG is submitted. MATH 1A, 1B; CHEM 1A, 1B, 1C; BIOL 1A, 1B, 1C. Minimum GPA must be achieved in course(s) completed when TAG is submitted. Strongly recommended: CHEM 12A, 12B, 12C; PHYS 2A, 2B, 2C (courses must be taken for letter grade and no grade less than "C", but grades will not be assessed as part of the required GPA for major course groups).
- **BIOTECHNOLOGY:** 3.2 overall UC transferable GPA. 2.5 in each group of courses with no grade less than "C" and must have 2.5 for the group of courses that have been completed when the TAG is submitted. MATH 1A, 1B; CHEM 1A, 1B, 1C. Also required: BIOL 1A with a "B" or higher. BIOL 1ABC series completion is highly recommended as it is a prerequisite for many upper-division courses. If two courses or entire series are completed, a group GPA of 2.5, with no grade less than a "C" is required. Minimum GPA must be achieved in course(s) completed when TAG is submitted. Strongly recommended: CHEM 12A, 12B, 12C.
- **COMPUTER SCIENCE:** 3.2 overall UC transferable GPA. 3.4 GPA in each group of courses with no grade less than a C and must have 3.4 for the group of courses that have been completed when the TAG is submitted. (MATH 1A/1AH, 1B/1BH, 1C/1CH); (MATH 22 or CS 18; CS 2A). Strongly recommended: CS 2B
- **ENGINEERING, COLLEGE OF:** 3.3 UC transferable GPA. Must complete all lower division engineering courses required for admission by the end of spring quarter 2017 with a 3.2 and must have the 3.2 for the courses from that group that have been completed when TAG is submitted. Courses must be completed with a letter grade and no grade less than "C." (See www.assist.org) Note: UCD will honor engineering articulation that's posted on ASSIST for 2015-2016.
Note: For Electrical Engineering, COMM 1A/1AH or 2 is no longer required for admission selection. For Mechanical Engineering, COMM 1A/1AH or 2, and PHYS 4D are no longer required for admission selection. For both majors, these courses must be completed for graduation and are strongly recommended to be taken before transfer.
- **PRE-LANDSCAPE ARCHITECTURE:** 3.2 overall UC transferable GPA, be willing to arrange TAG for "Pre-Landscape Architecture" and apply in the Landscape Architecture (Pre-) category of the UC Application for Undergraduate Admission. A portfolio must be submitted in February before or after enrollment at UC Davis. Contact (530) 754-8628 or visit humanecology.ucdavis.edu/lda for portfolio details. TAG does not guarantee admission to the major.
- **PSYCHOLOGY:** 3.2 overall UC transferable GPA. and 2.9 GPA in the following courses with no grade less than "C" and must have the 2.9 for the group of courses that have been completed when the TAG is submitted: PSYC 1; PSYC 10 or Soc 10; MATH 10 or Psyc 7 or Soc 7; BIOL 1A or (BIOL 10 and ANTH 1) or (BIOL 10 and BIOL 12 or BIOL 1D) or (BIOL 10 and BIOL 40ABC)
- **VITICULTURE & ENOLOGY:** 3.2 overall UC transferable GPA and 3.0 in the following group of courses with no grade less than "C": CHEM 1A, 1B, 1C; MATH 1A; PHYS 2A, 2B, 2C, BIOL 1A. Must have 3.0 for the group of courses that have been completed when the TAG is submitted. Strongly recommended: MATH 1B/ 1BH; if taken, the 3.0 GPA also applies to this course.

NOTE: ANTH 1H, MATH 1AH, MATH 1BH, MATH 1CH, and MATH 10H have not been approved for articulation with UC Davis at the time of this printing. Please check www.ASSIST.org in the fall for updates to the agreement.

UC Davis TAG Timeline, Requirements and Special Notes

(For full text go to: <https://www.ucdavis.edu/admissions/undergraduate/transfer/transfer-admission-guarantee/criteria>)

Student Name

You must use your full legal name on the UC TAG Application and the UC Application for Undergraduate Admission; consistent use and spelling of your name is crucial. Your name must also match the name appearing on Foothill records.

Grade Point Requirements

- 1) The minimum overall grade point average (GPA) for transferable work required for a TAG varies by College as follows:
3.2 for the College of Agricultural & Environmental Sciences and the College of Biological Sciences and the College of Letters and Science
3.3 for the College of Engineering
- 2) You must have this GPA at the time your TAG is initiated and submitted, and must maintain it throughout the remainder of your transfer work with no grades below a "C".
- 3) Courses required for selective majors must be taken for a letter grade. AP and IB exams with valid scores are acceptable when comparable to UC Davis course equivalencies. See UC Davis AP info at: <http://catalog.ucdavis.edu/admission/ap.html>; pay close attention to situations where full credit is or is not allowed for UC Davis course equivalencies. For IB, go to: <http://catalog.ucdavis.edu/admission/ib.html>

Timeline for Course Completion

- 1) To qualify for a UC Davis TAG for fall 2017 the following specific required courses must be completed by the end of spring 2017:
 - ☐ those required for UC Transfer Eligibility (but the two English and the one math must be completed by the end of fall 2016)
 - ☐ those required for admission into selective UC Davis majors
 - ☐ those required to complete 90 UC transferable quarter units
- 2) Summer 2017 session may not be used to complete courses required for admission. Students who have completed all requirements by the end of spring 2017 may use the summer to take supplemental coursework that will enhance their preparation for UC, including completion of the IGETC pattern.

Transcripts (domestic and outside of the US)

- 1) You must self-report online, each college or university where you previously (and currently) enrolled or attended, including enrollment and attendance in English language programs. You must be prepared to provide UC Davis with transcripts verifying enrollment and attendance in English language programs upon request.
- 2) If you attended a college or university outside of the United States, the correct name and address of each international school must be reported online. You must be prepared to provide UC Davis with transcripts (with grading rubrics) and course descriptions, AND word-for-word English translations of both documents upon request.
- 3) Students admitted to UC Davis should be prepared to submit official Foothill transcripts to UC Davis by July 15, 2017. (Note, this deadline applies to CA community colleges on the quarter system, including Foothill, De Anza, and Lake Tahoe. All other college and university transcripts must be submitted by July 1, 2017.) It is critical that coursework self-reported on the UC TAG Application and the UC Application for Undergraduate Admission matches with coursework on the official, sealed transcripts.

Exam Scores

If exams were taken, you must self-report online scores from AP and IB Higher Level Examinations. Students admitted to UC Davis should be prepared to submit official exam scores to UC Davis by July 15, 2017 (strongly encouraged by July 1). It is critical that scores self-reported on the UC TAG Application and the UC Application for Undergraduate Admission match the official exam scores. See UC Davis AP info at: <http://catalog.ucdavis.edu/admission/ap.html> - pay close attention to situations where full credit is or is not allowed for UC Davis course equivalencies. For IB, go to: <http://catalog.ucdavis.edu/admission/ib.html>

Prerequisite Course Requirements

UC Davis assumes you have met prerequisites to qualify for TAG course requirements, especially in the areas of English and math. UC Davis may request additional documentation verifying prerequisites were satisfied.

Missing lower-level courses within series

Students who have completed advanced-level courses without completing corresponding lower-level courses within a series are advised that they may be missing important subject matter considered comparable to UC Davis course content and may be required to complete additional coursework at UC Davis to meet graduation requirements. Regarding sequential math and language other than English (LOTE) courses: advanced level course completed with a "C" or better validates the missing lower-level course. TAG applicants in selective majors requiring mathematics must meet specified course group GPA requirements. Regarding sequential chemistry and physics courses, TAG applicants in selective majors requiring chemistry and physics who meet specified course group GPA requirements will be reviewed by the college on a case-by-case basis for an admission recommendation.

Lower-Division Unit Limitations/Excessive Units

Students will be granted up to 70 sem/105 qtr units of credit for lower division coursework completed at any institution or any combination of institutions. For units beyond the maximum, subject credit for appropriate coursework taken in excess of this unit limitation will be granted and may be used to satisfy requirements. If upper division coursework was also completed, please check with a counselor to determine if you are at risk of being denied admission due to excessive units.

•Units earned through: AP, IB, and/or A-Level examinations are not included in the limitation and do not put applicants at risk of being denied admission.

•Units earned at any UC campus (Extension, summer, cross/concurrent and regular academic year enrollment) are not included in the limitation but are added to the maximum transfer credit allowed and may put applicants at risk of being denied admission due to excessive units.

California Community College (CCC) Enrollment Status

You MUST have been enrolled at a CCC spring 2016. You must be enrolled fall 2016 at the current/primary CCC you indicate on your TAG Application. Full-time enrollment at a CCC from spring 2016 through spring 2017 is expected, though part-time enrollment is permissible with good cause. This policy also applies to students attending high school spring 2016. Students enrolled part time at a CCC should provide a brief explanation about reasons for part-time attendance in the section of the UC TAG Application titled "Additional Comments regarding TAG application" that becomes available during Step 1 of the TAG submission process. The UC Davis representative has the sole discretion to make exceptions to the full-time status requirement. Similarly, non-enrollment status for winter/spring 2017 terms may be considered by UC Davis if the student is not enrolled anywhere and has met all requirements and is academically well prepared for the rigors of UC coursework. Reason for non-enrollment must be reported in the TAG Application.

UC Application

If your TAG is approved you must submit the UC Application for Undergraduate Admission November 1-30, 2016. Information on the UC TAG Application and UC Application for Undergraduate Admission must match. You must also complete the UC Application Update at www.universityofcalifornia.edu/afterapply providing grades and course changes as directed, by the specified deadline.

Courses Offered by California Community Colleges (CCC)

You must take courses equivalent to UC Davis courses if they are offered at Foothill. Courses not offered at Foothill must be completed after enrolling at UC Davis. When www.assist.org states that there is "NO COMPARABLE COURSE" or "NO COURSE ARTICULATED" UC Davis will waive that course requirement for the TAG. If a course is not offered at Foothill, UC Davis encourages you to seek comparable courses at other CCC when possible.

Reporting Coursework/ Gaps in Education/ Foothill Review

The UC Transfer Admission Planner System instructs you to list in chronological order ALL college and university courses (including summer session and extension courses) for all terms you have attempted or completed (including courses you repeated or in which you earned an F, I for incomplete, or W for withdrawal), regardless of grade, length of attendance or whether you think the courses will affect your chances for a TAG. Enter your grades exactly as they appear on your records. Refer to grade reports and transcripts; do not work from memory. Be sure to include courses that are currently in progress and planned for future terms. You must also report and explain any gaps in your education.

You will be reporting UC transferable courses completed at a CCC via a drop-down menu and course-list displayed in the Planner System. All other courses will have to be manually typed into the system. You must transpose the course information exactly as it appears on the transcript. One exception is regarding the campus identifiers (F=Foothill, D=De Anza) attached to Foothill-De Anza's courses appearing on DegreeWorks and unofficial transcripts. (e.g. ENGL 1S will be listed as ENGL F001S) Please report the proper course number (e.g. ENGL 1S) by dropping the campus identifier in these cases. Remember, you should only be manually typing in CCC courses that are not UC transferable and courses taken outside of the CCC system.

Before forwarding your TAG to UC Davis, a Foothill counselor will do a cursory check for minimum TAG eligibility in order to provide UC Davis with a recommendation. Do not rely on this review to have your work checked or to determine your TAG eligibility. You will only receive feedback from Foothill if there is some element on your Planner that needs to be clarified. UC Davis has the final decision regarding your TAG. ALL TAG Applications will be forwarded to UC Davis regardless of the outcome of Foothill's review. Note: TAG reviews will be based on your self-reported information ONLY. Transcripts and exam scores will not be referenced. It is your responsibility to make sure the information you report is accurate and complete.

UC Davis Majors Available through TAG

For information on majors go to: <http://admissions.ucdavis.edu/academics/majors.cfm>

College of Ag. and Environmental Sciences	College of Biological Sciences	College of Letters and Science
Division of Agricultural Sciences Agricultural & Environmental Education Animal Biology Animal Science Animal Science & Management Biotechnology Entomology Plant Sciences Sustainable Agriculture & Food Systems Viticulture & Enology	Biochemistry & Molecular Biology Biological Sciences Cell Biology Evolution, Ecology & Biodiversity Genetics and Genomics Marine and Coastal Science: Marine Ecology and Organismal Biology Microbiology Neurobiology, Physiology & Behavior Plant Biology	Division of Humanities, Arts and Cultural Studies African American & African Studies American Studies Art History Art Studio Asian American Studies Chicana/Chicano Studies Chinese Cinema and Digital Media Classical Civilization Comparative Literature Design English French Gender, Sexuality and Women's Studies German Italian Japanese Medieval & Early Modern Studies Music Native American Studies Religious Studies Russian Spanish Theatre & Dance
