## Transfer Center Workshops

**Admissions Workshop: California Northstate University:** In this workshop, students will learn about the Health Sciences, Medicine, and Pharmacy programs. The College of Pharmacy now accepts transfer students who have taken all science pre-requisites.

**Admissions Workshop: Columbia Univ. School of General Studies:** Join this workshop to learn more about the School of General Studies – Columbia University’s college for returning and nontraditional students – offers the rigor of a liberal arts education from one of America’s finest universities.

**Admissions Workshop: DeVry University:** Attend this workshop to learn undergraduate degree programs, admissions requirements, understanding the cost of an education, and much more. At DeVry University students get the same career-focused education from an accredited university both on campus and online. When you take classes online, you receive access to select DeVry facilities and resources and learn from a curriculum that can prepare students for what the real world demands.

**Admissions Workshop: UCLA:** This information packed workshop is taught by a UCLA Admissions Counselor. Learn about admission requirements, majors and programs, academic departments, student life, housing, financial aid, and much more.

**Application Assistance, Drop-In:** Students drop-in to ask questions about their college application with Transfer Center staff.

**College Essay Help:** Make an appointment to meet with counselor/advisor/staff member who will review and critique the personal statement/college essay. Bring a draft of your personal essay for the review.

**Common Application Workshop:** This workshops focuses on the Common application for admission to a private school. Bring a copy of your college application and transcripts.

**CSU Application Workshop:** This hands-on workshop focuses on the CSU application guidelines for admission. You must bring a copy of your unofficial transcripts to this workshop.

**Everything You Need to Know About Transfer But Were Afraid to Ask:** Students learn more about the transfer process in this informative workshop. Ask questions!

**Get Your Foot In The Door to UCLA Through the Foothill Honors TAP Program:** In this workshop, students learn the steps to apply to the Honors TAP Program to increase chances of being accepted to UCLA’s College of Letters and Science.

**How to Write Your Personal Statement:** Students learn tips and strategic methods that will enable them to write a successful application letter.

**Super Selective Colleges And Universities: What They Are And How To Get In:** Students learn how to get in to selective colleges/universities. A wide variety of topics will be addressed, such as ranking, majors, GPA, admissions requirements, and much more.

**Transfer Counseling, Drop-In:** Students meet with a counselor for individual transfer counseling meeting. Time is limited to 10-15 minutes.

**Transfer Day:** Students will meet with representatives from over 60 colleges/universities (CSUs, UC, Private, Out-of-State). Ask questions and learn more about the college/university.

**UC Application Workshop:** This workshop focuses on the UC application guidelines for admission. You must bring a copy of your unofficial transcripts to this workshop

**UC San Diego Information Session:** This workshop is lead by a UCSD Admissions Counselor who will share info about the college, such as admissions requirements, majors, GPA, etc.

**What Universities Want To Read In A College Application Letter:** Students learn tips and strategic methods that will enable them to write a successful application letter.

**Yikes! Some Last Minute College Application Information Help:** Students receive advice and suggestions when applying to a four-year university.
