## California Policies & Regulations

### Articulation Agreements

Managing and maintaining Foothill course equivalency information within ASSIST and with individual independent and out-of-state institutions is one of the core functions of the Articulation Office.

This involves submitting new and modified Foothill College course outlines through [ASSIST](#) for evaluation of UC transferability and transfer general education applicability. The [ASSIST](#) database demonstrates how Foothill College courses transfer to both California State University and University of California campuses. Most articulation agreements with [private](#) and [out-of-state](#) institutions are also available online.

### California State University (CSU) Articulation

Here you will find general education course criteria and requirements, online catalogs, and additional articulation resources for the 23 CSU campuses.

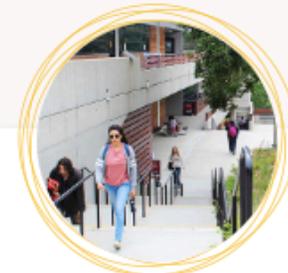

Go to [CSU Articulation page](#).

### University of California (UC) Articulation

Here you will find general education requirements, online catalogs, and additional articulation resources for the 10 UC campuses.

Go to the [UC Articulation page](#).

## ASSIST

ASSIST is the official repository of articulation for California's colleges and universities and therefore provides the most accurate and up-to date information available about student transfer in California. To learn more about how course credits earned at one California college or university can be applied when transferred to another, go directly to <http://www.assist.org> or learn more on our [ASSIST page](#).
