Introducing the Fall 2016 cohort

- What is the student educational experience at Foothill?
- How should we begin to consider their stories?

Our Approach

- Start with one cohort and track their time with us
  - Applicant/Register
  - Persistence
  - ENGL/MATH transfer-level completion in one year
  - Degree completion
- Emphasis on Fall 2016 cohort to allow time for completion

For every **10** students submitting an application for the first time in Fall 2016....

6 students enroll at Foothill in Fall 2016...

While **2** more enroll at another CA community college
