Re: Recommendation for External Evaluator for Governance Assessment

In response to the discussion about assessment of governance, Community & Communication Committee recommends:

An external evaluator be contracted with to assist with its evaluation of the new shared governance model. The goal of this project is to provide Foothill College with a comprehensive summative evaluation of how effectively their new governance model efficiently “provides an opportunity for faculty, staff, and students to express their opinions and provide feedback to the college president on college planning, allocation of resources, and the evaluation of institutional effectiveness.”

With the assistance of the institutional research department of Foothill College, C&C recommends contracting with Dr. Kristen Fong for this work.
