Are You a Licensed Dental Hygienist?

Our program is for you!

If you are a licensed dental hygienist (RDH or RDHAP) from an accredited two-year community college dental hygiene program, our B.S. completion degree will broaden your educational experiences.

- Earn your B.S. in Dental Hygiene in one or two years completely online. Read more about the [course schedule](#) for the one and two year educational plan options.
- Increase your career opportunities by earning the BS-DH degree. Read more about the program >

Admission Requirements

- Graduation from an accredited dental hygiene program.
- Minimum cumulative college GPA 2.75.
- Licensed in good standing as a Registered Dental Hygienist.

Application Period

What Our Graduates Say

Testimonial from one of the first graduates of the AS to BS-DH Program

“

"The RDH AS to BS program at Foothill College was an excellent, well-structured program that allowed me to work full time and provide for my family while advancing in my career and allowing me exponential opportunity for further success. I am so grateful for the education that I received, especially at an affordable cost. I would highly recommend this program to any RDH looking to advance their career, even if you are working full time, like I have been. There is no better time than the present."

”

- EMILY FUENTES, RDH, BSDH
