Career & Academic Pathway

What do you want students to
get from your CAP?

Let's debrief, what came up in conversation:

Career & Academic Pathways

- What does it mean to graduate from Foothill College with a degree in your CAP?
- Can an individual student's interests influence the LOs?
- Can a student determine the point at which they have achieved these outcomes? Can they determine the method of assessment?
- At what point(s) do you assess the outcomes? How?

Thank you for your collaboration
