The colleges of the Foothill-De Anza Community College District grant the degrees of Associate in Arts and Associate in Science and Foothill College grants the Bachelor of Science degree in Dental Hygiene to those students who have completed the subject requirements for graduation and who have maintained a 2.0 grade point average in subjects attempted. Students must also complete the general education, residency, and competency requirements set forth in Title 5 regulations.

Students may be awarded a Certificate of Achievement upon successful completion of at least the minimum legally required number of quarter units of degree-applicable coursework designed as a pattern of learning experiences to develop certain capabilities that may be oriented to career or general education.

The Chancellor shall establish procedures to determine degree and certificate requirements that include appropriate involvement of the local curriculum committee. The procedures shall assure that graduation requirements are published in the District's catalog(s) and included in other resources that are convenient for students.
