Directions

In order to select multiple courses to display, after selecting a department, right click on the department name. A pop up will appear that gives you the option of selecting only the department or all courses within the department. Click on the selection and all courses will populate in the table. If you want to select all but one or two courses, you may right click and select, then while holding down the control key, you may select the ones you want to exclude. You can then right click the department again to clear selections to start over.
