### **College Level Examination Program (CLEP)**

The College Level Examination Program (CLEP) is a credit-by-examination program that measures a student's level of comprehension of introductory college-level material for which students may earn college credit by receiving a satisfactory test score. Foothill students who are planning to satisfy graduation or transfer requirements by completing the CSU General Education-Breadth certification pattern may apply credit obtained through CLEP per the California State University approved policy AS-2492-10/AA, which requires a passing score of at least 50 on the CLEP exams as outlined on the [CSU CLEP website](#). Students should be aware that CLEP credit is currently not awarded for satisfaction of particular major course equivalency at Foothill College; moreover, for transfers, each campus in the CSU system determines how it will apply external examinations toward credit in the major.

### **Credit by Examination (Challenge)**

As an enrolled Foothill student, you may be able to obtain credit by examination in subject matters or fields for which you are especially qualified through training or experience, but for which you have not already received college course credit or advanced placement credit. You must complete this process during the first two weeks of the term. If approved, credit will be posted at the end of the term. Foothill College does not guarantee course will be transferable. Here are the currently approved courses in which a student can obtain credit by examination.

- KINS 16A
- MATH 80
