### Important Alert

**First disbursement for Summer 2023 changed to July 10th.**

Due to the July 4th holiday occurring the first week of Summer quarter, we had to change our first financial aid disbursement date for the quarter from July 3rd to July 10th. If you have financial aid funds disbursed on July 10th and are eligible to receive a refund, you can expect those funds to get to BankMobile on Thursday, July 13th. BankMobile will then follow the refund preference you selected to get you the money. We sincerely apologize for any inconvenience this change may cause.
