Celebrating Cultural Diversity

About Our Heritage Months Program

At Foothill College, we celebrate and honor diversity through a series of cultural, community, and collaborative heritage month festivities from October through June.

“

I have been a proud and inspired attendee, presenter, collaborator and co-sponsor for the Foothill Heritage Month equity, education, and empowerment events since 2007. One of the most noteworthy aspects of the programming is the planning and execution by students.

Additionally, each year seems to bring an increase in the number of activities and topics. Foothill's Equity 2.0 contains an ambitious agenda, and the Office of Student Activities is a key contributor to increasing student engagement and consequent success.

”

All students, faculty and staff are invited to participate in the heritage month planning committees and monthly activities.

Activities range from and include:

Each Heritage Month is planned by a different committee, comprised of student, faculty, staff and sometimes community member volunteers.

Students chair our heritage month planning committees, which meet to organize exciting events for the equity, education, empowerment and entertainment of the campus and community in an effort to increase communication, cultural competency, campus community, and retention.

The Student Activities Specialist who works in the [Student Activities Office \(/campuslife/activities.php\)](#) assists with the leadership oversight, logistics, budgeting, planning, marketing and hosting of heritage month celebrations.

We welcome your perspective and new ideas! To learn more about joining a committee, contact the Student Activities Specialist, **Megan Adams** at adamsmegan@foothill.edu (<mailto:adamsmegan@foothill.edu?subject=>).
