Your Dream, Our Mission

Welcome to Student Services

From Dr. Laurie Scolari, Ed. D. Vice President of Student Services

In Student Services, we aim to provide the highest caliber service through a lens of inclusion and compassion. One of our values is “accountability.” We encourage you, our students and colleagues, to hold us true to that value. Let us know how we can be more inclusive in providing high quality, timely, and clear communication. The author of The Four Agreements, Don Miguel Ruiz, said it simply yet truthfully — we aim to always do our best.

We are here to listen to your feedback as to how we can best serve you.
