

Strategic Priority #5: Fiscal Responsibilities

Key mission statement terms for strategic priority #5:

(Mission) Student Success	(Mission) Educational Excellence	(Provide access to) programs and services
(Foster) equal opportunity	(Foster) innovation	(Meeting) educational and career goals
(Driven by) equity	(Value) integrity, inclusion, students' well-being, sustainability	

A fundamental need for students to be successful and excel in their education is for the experience to be cost effective. Foothill-De Anza Community College District makes it a priority to address the financial needs of its students and continues to improve students' access to financial resources that support their educational goals. In addition, the district works to create a fiscal environment within the district structured to meet the needs of its diverse community.

Goals:

- I. Increase financial aid literacy and support for students
 - a. Improve access to financial aid resources
 - b. Reduce/eliminate incidental costs for students
- II. Develop funding models and institutional practices that prioritize equity and reduce disparities in student achievement.
- III. Establish accountability and assessment measures to track progress towards goal achievements.
