The Board recognizes that students should have an opportunity to participate in matters of governance and access to governance mechanisms that allow them to express their opinions at both the campus and district level in accordance with Title 5, Section 51023.7.

To foster participation in governance, students shall be accorded membership on district and college governance committees, and (when appropriate) task forces, and similar groups.

To influence the deliberative process student members of the various district and college governance bodies, other than the district governing board, shall be granted the same rights and privileges generally held by other members

Opportunity for student participation in governance shall be maximized through reasonable accommodation of time and resources. To facilitate student attendance, the prior commitments of all members of any given committee shall receive equal consideration in scheduling meetings.

The district and colleges shall provide appropriate means (i. e., in-service training and/or orientations as needed) to strengthen student knowledge and understanding of governance issues in order to increase student preparedness, to foster greater self-confidence in student leadership roles, and to enhance student credibility.

Student representatives who serve on district or college committees, task forces, or other governance bodies shall be recommended, or where appropriate, appointed by the associated student organizations in accordance with their Constitutions and By Laws.

Students have direct access to the board in the hearing section of every board meeting, during discussions of agenda items, and, in addition, shall make use of the Student Trustee's role in the governance process.

Students shall maintain the scholastic standards of the college while serving in governance capacities.

Student representatives are expected to work within the established guidelines of the shared governance process.
