- ❖ **Equity in the COR:** CCC's primary topic of discussion at the February 21st meeting was the draft Guiding Principles for Equitable CORs document, which will serve as a resource for faculty when creating or updating CORs from an equity perspective. The group as a whole discussed and further refined the document, which had been updated to incorporate feedback provided by the breakout groups and others. The CCC Team hopes to bring the document forward for an official first read at the next CCC meeting.

- ❖ **CCC Co-Chair:** Eric's second term finishes up at the end of this academic year, so we are in search of a new faculty co-chair! As a reminder, the faculty co-chair also serves as one of the two Academic Senate VPs, and the co-chair must have served on CCC during the past three years.
