Accreditation of De Anza College and Foothill College by the Western Association of Schools and Colleges (WASC)/Accrediting Commission for Community and Junior Colleges (ACCJC) is viewed by the Board as being of the greatest importance. Therefore, the Chancellor shall ensure the District complies with the accreditation process and standards of the Accrediting Commission of Community and Junior Colleges and of other District programs that seek special accreditation. The Chancellor shall keep the Board informed of approved accrediting organizations and the status of accreditations.

The Chancellor shall ensure that the Board is involved in any accreditation process in which Board participation is required. The reception of the accreditation team should, where possible, include all Board members and all personnel authorized by the Board.

Preparation for each successive visit must be based upon reports emanating from previous accreditation visits. Therefore, immediately following each visit a study will be made of the report in order to determine what can be done to correct reported deficiencies prior to the next application. The Chancellor shall provide the Board with a summary of any accreditation report and any actions taken or to be taken in response to recommendations in an accreditation report.
