CHANCELLOR SEARCH COMMITTEE CHARTER

SCOPE OF WORK
Prepare a draft position description for approval by the Board.

Identify candidates and assist in actively recruiting them.

Evaluate applicants.

Select at least two candidates to recommend to the Board for consideration.

Every candidate the committee recommends to the Board *must* be a candidate the committee will welcome and support as Chancellor if the Board retains that candidate to serve as Chancellor.

HOW
The committee will adopt a set of ground rules governing the conduct of its deliberations.

At a minimum, the ground rules will include the following:

- Decisions will be arrived at by consensus, if possible. (In this context consensus means that all members agree or, at a minimum, state that the decision, while not one they would make on their own, is one they can live with.)
- To facilitate consensus, the committee will favor polling of its members rather than voting. If consensus is not possible, decision will be reached by majority vote, provided however that at least one elected Trustee is among those voting in favor.

The committee may adopt any other ground rules it deems appropriate, for example, ground rules governing the documentation of dissenting views for later consideration of the whole Board.

Approved by the Board of Trustees 6/13/22
