Type Action  
Recommended Action Foothill College administration recommends approval.

**Background and Analysis:**

Foothill College is respectfully requesting board approval of the 2019 Student Equity Plan and goals aligned with Vision for Success, as required by the California Community Colleges Chancellor's Office. Local goals for Vision for Success were proposed and approved alongside the 2019-2022 Student Equity Plan to senate and governance committees, connecting the goals where appropriate and helping the campus community in framing where the college is in regards to key areas highlighted in the metrics, and where we aspire to be. The Student Equity Plan Executive Summary presents the college's 2019-2022 goals and proposed activities, discusses the process and schedule to meet these goals, summarizes the resources budgeted to support achievement of goals, and details progress of previous plan goals and equity fund expenditures.
