Key Takeaways

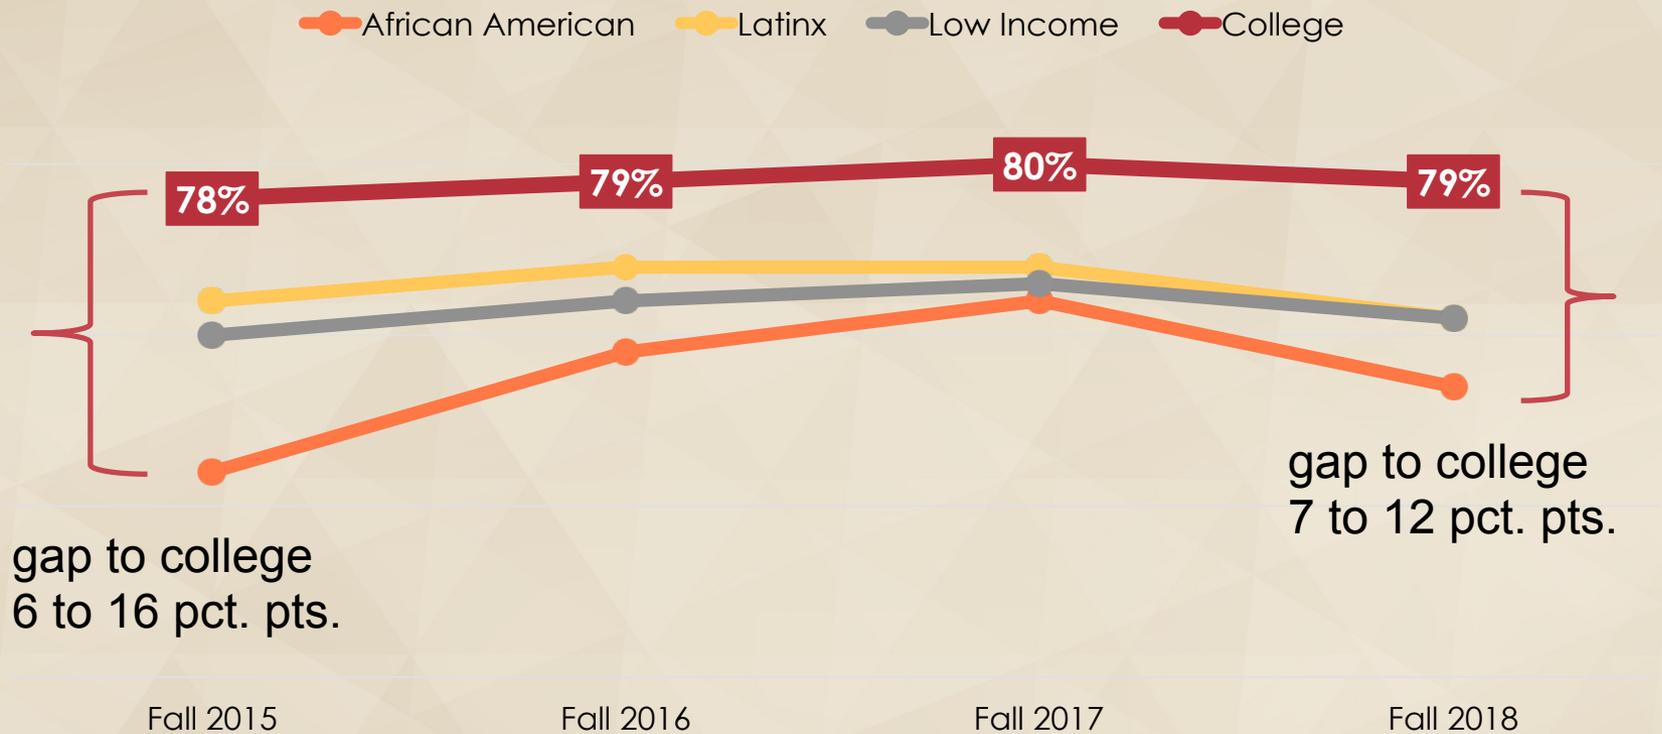

- **Course Success**

- Since fall 2015, the success gap of African American students to the College has improved. Face-to-face success rate continues to be higher than online. While a completion gap remains, the face-to-face and online gap has narrowed.

- **Degree, Certificate & Transfer Completion**

- Completion gap has improved for Latinx & Low Income students; however, the same cannot be said for African American students.

AB 705 is about *throughput*

Throughput is the percent of students who successfully complete a transfer-level course within three primary terms of their first course in the subject area. (For example, beginning in Fall and completing by Spring.)

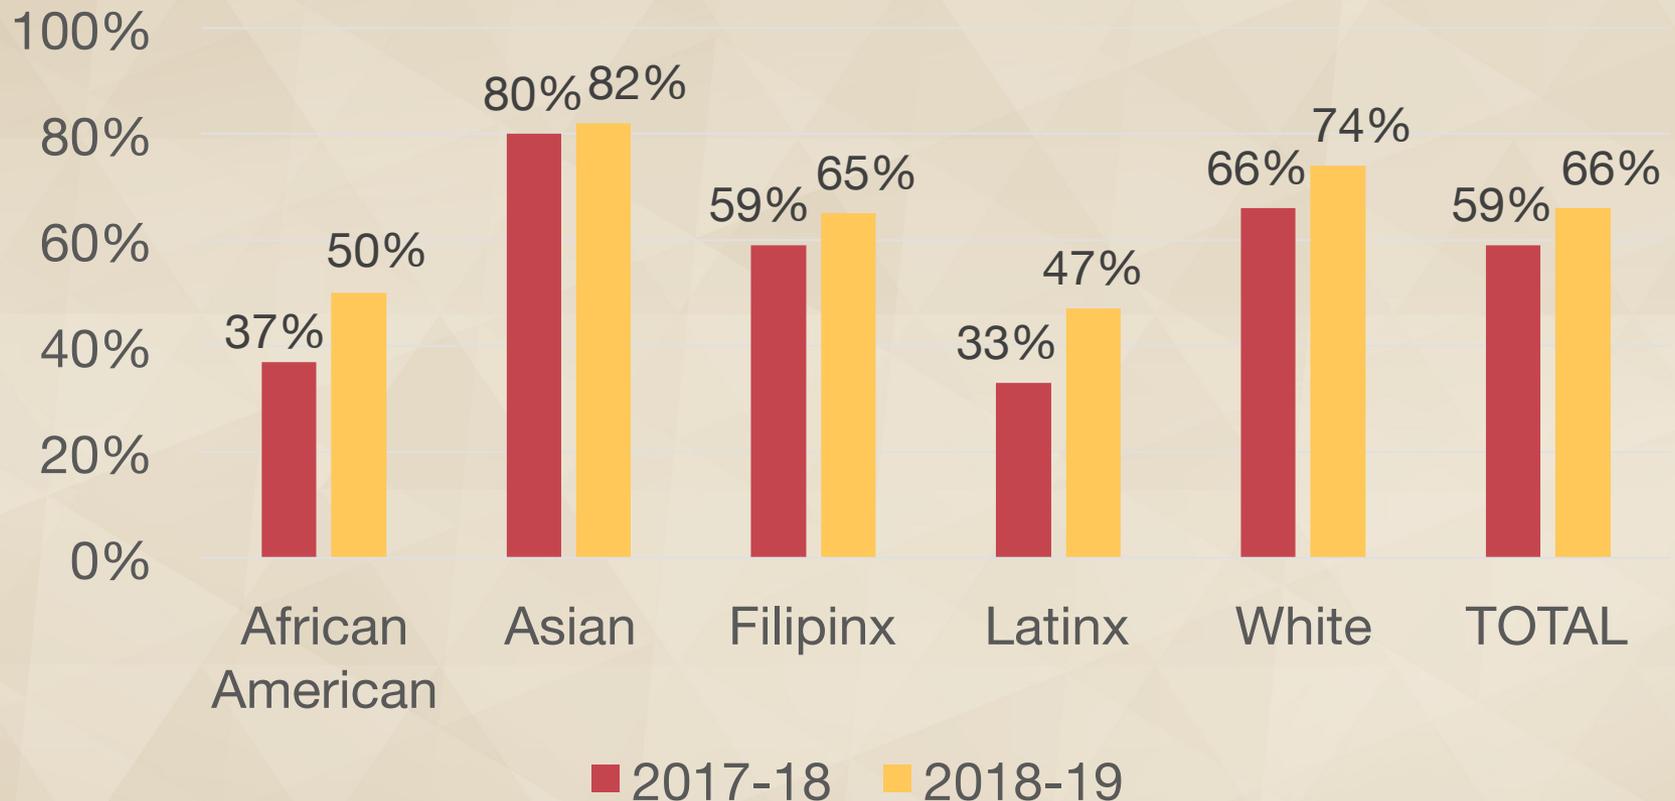

- English: fewer below-transfer sections offered in 2018-19 (partial AB 705 implementation)
- Math: all students eligible to enroll in transfer-level sections in 2018-19 (full AB 705 implementation)

English % Achieved Throughput 2017-18 vs. 2018-19

Data: Out of all students who began the English sequence in Fall, the percent who successfully completed a transfer-level English course by Spring. Foothill College data only.

Math % Achieved Throughput 2017-18 vs. 2018-19

Data: Out of all students who began the math sequence in Fall, the percent who successfully completed a transfer-level math course by Spring. Foothill College data only.
