Feedback from Council Feb 26 and Town Hall Feb 28

- The equity / education committee appears to have a lot of topics for one committee.
- Within Ed Master Plan idea – maybe 3 or 4 committees is not enough.
- All committees should consider the review of strategic resource allocations (not just the Council).
- Align passions to serve on a smaller committee – provide opportunities for engagement that might be narrower in focus. Perhaps the idea of a “caucus” for particular focus areas?
- What is the role of the facilitator?
- I feel that there is not enough faculty members on the committee. Too many administrators.
- I think this plan is a great 1st step and understand we have to be open to continued improvement.

PaRC Feedback March 7

- Reporting to Council?

- My voice?

- What was wrong with current structure
- ask each committee

- Frequency - not just a rubber stamp
- time to understand

- Student voice

- Increasing Participation - T.I.

takes away from people wanting to participate

- * Where does operations take place?

- * Membership - still meet

- * Place to take concerns - voices are heard and represented

- * Restructure how we do meetings rather than structure

- * Separate planning committee to start - provide framework

- * Too broad to be effective

- * More focused group - energy and interest

- * Operational usgwenne - varies by committee

- * Expertise appointed members - needed for planning

- * "ORG" Chart

- how does it impact decisions

Cabinet, Deans - all

Gov in relationship to decision-making

- * Timeline of Gov. conversations

- * How much detail do we need to work out in advance?

- * FAQ

- * Training for all members

- * Job description / guidelines for members
responsibilities

- * Calendar of Issues

Changes / Clarifications

- It will be up to the Senates (Academic, Classified, AFSC) and the President (for administrators) to make decisions on appointments to the committees, including terms and term limits.
- Facilitators and recorders will be Foothill employees but not members of the committee (they will not vote, they will not be a tri-chair). They will be appointed by the president and assigned to a committee for a whole year
- Committees will be able to appoint one or more study groups.
- Each committee is independent and has a distinct membership. Each committee can make recommendations directly to the president.
- Committee meetings will be scheduled for Friday afternoons. Committees can decide if they want to meet more than once monthly.

Proposal for Program Review in 2018-19

- Each committee will redesign the program review process based on the areas under its charge and propose suggestions for the next year. The Council will review the proposals for consistency and recommend any needed changes back to the committees.
- The program review process will use self-guided questions in 2018-19 to help inform program review re-design.
- The Equity and Education committee will review out-of-cycle programs reviews from 2017-18. Identification of programs for discontinuance will be reviewed by the Council which will make a final recommendation to the President.

Operation of Committees

- Each committee will have 12 members – 4 Faculty, 3 Classified Staff, 3 Students, and 2 Administrators. Members will be on only one committee.
- Each committee will be assigned a recorder.
- Each committee will be assigned ex-officio members to support the work of the committee.
- Recommendations from the committees must be transmitted in written memorandum. The President will write back to the committee outlining the decisions made.
- Committees will have a trained facilitator assigned by the President who is a Foothill employee but not a member.
- Each of the 4 committees would meet on the same Friday of the month (e.g. Community Committee would meet on the first Friday of the month).

Proposed Study Groups

- Committees may appoint members to one or more study groups that will meet for a defined period of time and present their findings and recommendations to the committee.
- The study group will be chaired by a member of the educational master plan committee.
- The study group could be made up of some of the members of the committee or the committee could appoint an entirely different group of members from the Foothill community.
- Where possible, study groups will be announced at the September Governance Summit.
