Accrediting Commission for Community and Junior Colleges
10 Commercial Boulevard
Suite 204
Novato, California 94949

Dear visiting team members,

On behalf of the students, faculty, staff, and managers at Foothill College, we look forward to welcoming you to campus this fall!

It is our hope that the enclosed self-study provides you with a window into the incredible work that occurs every day at Foothill. For the past year and a half, the college has worked tirelessly on the study. The study was authored by many members of our campus and district community, and I am grateful to those who dedicated hours of their time to the self-reflecting process.

The dedication and passion of our faculty, staff, and managers is apparent in each course and service we offer. While the accreditation process is a formal evaluation of that work, it also provides us with the opportunity to showcase the outstanding work that we do on behalf of, and for, our students each day.

I look forward to meeting each of you personally during your visit. In the meantime, if you have any questions, please do not hesitate to reach out to our Accreditation Liaison Officer Andrew LaManque at 650.949.7179 or lamanqueandrew@foothill.edu.

Thank you for volunteering your time as a visiting team member. Foothill College looks forward to your input and insight.

President, Foothill College
