

i ASSIST does not take the place of a counselor on your campus. It is intended to help students and counselors work together to establish an appropriate path toward transferring from a public California community college to a California university.

IGETC Course List (All Departments)

Foothill College

Academic Year 2025-2026

IMPORTANT

The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses that California community college students may complete to satisfy the lower-division breadth/general education requirements before transferring to the California State University (CSU) or to the University of California (UC).

The IGETC pattern is certified by the CCC, accepted by all CSU campuses, and accepted for many majors at all UC campuses. Students should consult a CCC counselor for more information about IGETC, and the majors for which IGETC is appropriate.

The following community college courses will satisfy IGETC requirement areas as indicated.

Limitations

- Transfer credit may be limited by either CSU policy, or UC policy, or both. Please review the CSU GE-Breadth Certification Course List as well as the UC Transferable Course List (the UC TCA) in addition to consulting with a counselor.
- Per UC policy, courses listed in multiple areas shall not be certified in more than one area except for courses in Languages Other Than English, which can be certified in both areas 3B and 6A.

More information regarding IGETC may be located through the following links:
