- ENGL 1S & 1T is an accelerated pathway. Once completed, students can earn transfer level English credit. Speak to a counselor to see if this path is right for you.

Foothill Assessment Testing Rules:

- Assessment test scores are valid for one (1) year.
- Students can take a retest within six (6) months of earning their initial assessment if they have not earned a transcriptable grade in the course sequence that they wish to retest in.
- *Highly recommended!* Students should submit their official high school transcripts to Admissions & Records for a more accurate assessment.
