

CCC Communiqué

November 28, 2017

News & Announcements:

- ❖ **New Course Proposals:** The following proposals were presented at CCC. Please contact your Curriculum Reps and/or the faculty author(s) if you have questions or comments.
JRNL - [Freelance Digital Production for Student Media](#) B. Lewis
THTR - [Introduction to Voice-Over Acting](#) J. Bergmann
- ❖ **State Approval Received:** We recently received state approval for the noncredit certificate in Emergency Medical Technology, which was approved by CCC in November, 2016. Congratulations to the EMS department!
- ❖ **Noncredit Certificates:** CCC approved the applications for two noncredit certificates on November 21st, which will be sent to the FHDA Board of Trustees for approval at an upcoming meeting:
Bridge to College Level Mathematics
English as a Second Language for Food Service Workers
- ❖ **Stand Alone Form Revision:** At the November 21st CCC meeting, the group discussed proposed revisions to our local Stand Alone Approval Request form. If approved, the revisions will result in a form that is shorter and easier to fill out, while still maintaining our current standards for Stand Alone approval. For further information and to provide feedback, please contact your CCC Reps.
- ❖ **COR Technical Review Pilot:** In the previous Communiqué, we announced the creation of a pilot Technical Review team. The team has begun to review CORs in Articulation status in C3MS and will enter recommendations in the comments box at the bottom of the COR, moving the COR forward to Deans Review. This will allow forward momentum of the COR and give the faculty the opportunity to address the team's recommendations during the Proof step. Andrew LaManque and Rachelle Campbell will visit the divisions in early winter to gain an understanding of the various ways division curriculum committees are conducted, as well as to address professional development of all faculty serving on a division CC, which is a requirement of Title 5. If you have any questions regarding the Technical Review team or Andrew and Rachelle's upcoming visit to your division, please contact your CCC Reps.

Reminders:

- ❖ **Local GE Applications:** Do you know of a course that may be a good fit for our local GE pattern? The general education application period is open! Please contact your CCC Reps for more information.
