

CCC Communiqué

November 15, 2018

News & Announcements:

- ❖ **Upcoming addition to Foothill GE:** The following course was approved on November 13th for Foothill GE for 2019-20:
Area VII—Lifelong Learning: BIOL 81
- ❖ **New Course Proposal:** The following proposal was presented at CCC. Please contact your Curriculum Reps and/or the faculty author if you have questions or comments.
MUS - [Music of California](#) E. Barkley
- ❖ **Associate Degree for Transfer (ADT):** On November 13th, CCC approved the application for the Film, Television, and Electronic Media AA-T degree, which will be sent to the FHDA Board of Trustees for approval at an upcoming meeting.
- ❖ **State Approval Received:** We recently received state approval for the Makerspace Coordinator Certificate of Achievement, which was approved by CCC in June, 2018. Congratulations to the LINC department!
- ❖ **Revising our Program Creation Process:** Due to the recent changes to campus-wide committees, as a result of the governance redesign project, our program creation process is in need of revision. CCC will be working closely with Academic Senate and other groups to draft a new process. To share your thoughts about the current process and what you might like to see in a new process, please contact your CCC Reps.
- ❖ **Library Guide for Open Education Resources:** The library has created a new [Open Education Resources Library Guide](#) that is now available to both teachers and students. Any instructors interested in using no-cost, low-cost, or OER materials are encouraged to consider using this new library guide to find textbooks and other content for their courses.

Reminders:

- ❖ **Local GE Applications:** Do you know of a course that may be a good fit for our local GE pattern? The general education application period is open! Please contact your CCC Reps for more information.
